

To the Membership of Westwood LOA:

The start of this year has seen many challenges and changes in the Board of Directors and office staff. The new Board of Directors and office staff are committed to being transparent and open as possible. While working on the invoices for this year's maintenance fees, the Treasurer discovered multiple internal bookkeeping discrepancies from the last few years. This has caused us to review each member's account. Based on this review, we are making adjustments that will affect some of this year's invoices. Any member may contact the WWLOA office and make an appointment to meet with the Treasurer to review their account.

We apologize for any inconvenience this causes any of our members. Please be patient while we work through all these issues.

Sincerely,

WWLOA Board of Directors
